OBJECTIVE

To use design and my skills in communication to effectively convey a message to the target audience.

SKILLS

I am experienced in design and photography, with skills in Adobe Photoshop, Illustrator and InDesign as well as experience with WordPress, HTML and CSS.

EXPERIENCE

DESIGNER AND PHOTOGRAPHER / BALL BEARINGS MAGAZINE

Aug. 2016 – Current

I design graphic illustrations and page layouts for the print and online publications of *Ball Bearings*, Ball State's award-winning student-run magazine. I also take photos for features in the print and online editions.

DESIGNER / THE DAILY NEWS

Oct. 2016 – Current

I design page layouts for Ball State's student-run newspaper.

GRAPHIC DESIGNER / NEW DAY CREATIONS

Feb. 2016 – Dec. 2016

I worked with a local printing company as their graphic designer. The company did embroidery, screen printing, and large-format printing (signs, banners, etc.). I communicated with clients and the business owner to determine how to design the products.

TECHNOLOGY ASSISTANT / WESTERN BOONE SCHOOL CORPORATION

Jun. 2016 – Aug. 2016

I worked for the school over summer break as an assistant to the technology director. I worked to clean, repair, and update the laptops that the students use. I also helped integrate the new technology into the elementary schools in the district.
